1. Thank God for Delivering Us from SARS in 2004

[1 Chronicles 16:8](#) ; [Psalm 27:8](#) 、 [35:18](#) 、 [105:1](#) 、 [106:1](#) ; [Isaiah 12:1-6](#)

Lord, You are great and greatly to be praised. You are to be feared above all gods. Honor and majesty are before You. We give You the glory due Your name Jehovah. We thank you for Your deliverance from SARS. You brought deliverance from our affliction and we praise You! You are worthy of all of our worship and adoration, for You are the only wise God. Surely, You are the Lord who has healed our diseases and You have redeemed our lives from destruction. We give You thanks and we praise Your holy name for You do all things well.

2. Pray for God's Wisdom & Guidance to Come upon The Health & Medical Professionals

[Romans 8:26-27](#) ; [James 1:5](#)

We thank you this day, Lord, that Your Spirit helps us in our times of weakness and gives us the wisdom to pray as we ought. We ask You, Holy Spirit, for wisdom for all in our land, but especially for our Health Bureau and Healthcare & Medical Professionals. We ask that You grant unto them the wisdom and direction they need as they oversee our preparations to ward off any diseases that may try to inflict our people. May You guide them as they do research and put into place practices that will alleviate the threat of sickness and disease that may come against our land. We thank you for godly leadership in this area and give You praise for protecting our land, in Jesus' name. Amen.

3. Pray for the Sick

4. Pray for God's Protection over H5n1 Pandemic & Overcoming Fear

[Psalm 4:7-8](#) 、 [5:11](#) 、 [32:7](#)

“The Earth is the Lord's and everything in it, the world, and all who live in it.” (Psalm 24:1) Our God who governs the heaven and earth, we declare that You reign over Hong Kong; Your glorious kingdom shall come upon Hong Kong; Your Holy Spirit shall come upon our city; and the people of Hong Kong will be able to live in peace. We declare in the name of our Lord Jesus Christ, that all kinds of viruses, especially the Avian flu virus shall not pass through our city. Lord, please remember Your word in the Scripture that You preserve both man and beast. Lord, please command healing to come upon all infected poultry, especially the migratory birds, that they be blessing to mankind only. Lord, together in unity, we ask You to blot out the H5N1 virus from this generation, and never to return. For with Your arm You perform mighty deeds for the world and the nations, that the H5N1 virus will be scattered by the Lord our God. For His name is Holy, the Mighty One, who accomplishes this for the whole world, for every nation. In Jesus' name we pray. Amen.

5. Pray that Our Land will be a Healthy Place for All

[Genesis 1:7-10](#) ; [1 Kings 17:1](#) ; [2 Kings 2:21](#)

God of all creation, we come before You this day acknowledging that You created the dust of the earth and the seas and the rivers that flow through the land. All things were created by You and You called them good. There was no hurt, harm nor danger in any of them when You created them. We humbly come before You now and present to You the very air we breathe and the water we drink in this land. We ask You to bless them and keep them pure so that Your people may live in health as they experience Your divine creation. We thank you for healing the water like You once did when Your servant Elisha threw salt into the polluted waters. We implore You to heal the waters and the air of our land. We thank you for a healthy and rich environment for our children to grow up in, as we give You all the glory – in Jesus' name. Amen.
