<Prayer for Specific Issues>

1. Pray for Single Male and grace for them to live in holiness

[Psalm 29:11](#) ; [2 Timothy 2:22](#)

Father, may every single man hide Your Word in their heart so that they will not sin against You. We pray that You would give them the power to shun immorality and all sexual promiscuity. The body is the temple of the Holy Spirit which has been purchased and paid for by the precious blood of Jesus Christ. Father, may every single man bring You glory through his life. We pray Father God that neither the love of money nor the pride of achievement would take root in any man but that they would find their joy, peace and hope in You and in serving and obeying You. We ask in Jesus' powerful name.

2. Pray for Single Female and grace for them to live in holiness

[2 Corinthians 7:8-9](#) ; [Psalm 118:4](#)

We thank you, Father, that Your Word tells us to be content in whatever state we find ourselves. Today we wish to lift up to You our single women and ask that You, by the power of Your Holy Spirit, grant unto them the peace they need to live the single life – be it for a season or as their life's calling. You are their strength and their song and that You have become their salvation. May the single women of Hong Kong seek to glorify You with their lives as they pursue the calling You have for them. We ask that You help them to shun all immorality and to keep their minds fixed on You in righteousness and holiness. We thank you for virtuous women that will live good lives in conformity to Your will as they live in harmony and accord with those around them. May they seek to bring glory to Your name – this, we ask in Jesus' name. Amen.

3. Pray for revival of the Youth of HK

Lord Jesus, thank you for creating young people and giving each of them a special plan and destiny. Thank you for choosing us to be part of the end time army to fight against the works of Satan. Lord, You have promised us that You will rescue those who are still in the enemy's camp and I pray that this year, in 2006, many prodigals will leave the enemy's camp and come back to You to join this army. I proclaim that this year will not be a year of tears but a year of victory. Release Your power and love into this generation. Breathe Your life into us, Jesus. We are going to take back every single thing that Satan has stolen from this generation and we say that we, as sons and daughters of the highest God, will gain full victory. Release the young people into complete freedom; take away all the chains and bondages off them in the name of Jesus. Capture our hearts, and unite our hearts to our fathers and mothers, so that the two generations will walk together in faith and enter the destiny You have prepared for Hong Kong. Prepare the hearts of our parents and pastors that, together, we will have the same vision. We pray all this in Your precious name, Lord Jesus, Amen!
